

# MIKASA® FORWARD PLATE COMPACTOR PETROL MVC-F80H

Mikasa Forward Plate Compactors set the standard for the compaction of sub bases and asphalt. Mikasa forward plate compactors offer superior build quality and excellent performance. They are also highly portable, easily manoeuvrable and deliver excellent compaction results.

#### Lifting hook

- Built-in lifting hook for safe on-site handling.

#### Honda 4-stroke engine

- Provides hassle free operation and low engine emissions.

#### Optional water tank

- Clip on water tank for suppression of dust and asphalt works.

#### Folding handles

- Allows for transport in confined spaces.

#### Transport wheel kit

- Easy and safe onsite manoeuvrability.

#### Sealed clutch and belt guard

- Protects against the ingress of dust and other unwanted materials.
