### Working Range Per Battery Charge - Sq. Ft.<sup>1</sup>

#### RMA 460

—

—

**6,622**

#### RMA 460 V

—

—

**5,880**

\*Reduced tool performance — Not applicable

**Note:** Battery/tool combinations providing the best balance, adequate run time, and performance are shown in bold.

<sup>1</sup> The battery run times and working range specifications for each battery charge are estimates and may vary depending on how the tool is used and what is being cut.

STIHL battery technologies continue to improve. As a result, battery run times may vary depending on specific version used.
