

SH905 Triple Action Swivel Snaphook

Data Sheet

The ISC Swivel-eye Karabiners can be supplied with fall indicating rings. In the event of a fall, the red ring is exposed, alerting the user that a fall has taken place.

The SH905 is the World's first Triple Action Swivel Eye Snaphook. Design features include a Safety Heel to reduce snagging and a 'Blind' nose to reduce rope snagging. A Fall Indicating version is available on request.
